

Christopher Morgan  
President  
NMB Solutions

NMB Solutions. today announced the appointment of Christopher Morgan as NMB's new President, effective immediately. Mr. Morgan, previously Vice President at NMB Solutions, assumed the role of NMB's President on September 1<sup>st</sup>, 2020. Mr. Morgan joined the company in 2012 as senior business consultant and has held several supervisory and management positions with the company.

"I have known Chris for the last 8 years and he has always taken a strong leadership role within the company. He has brought NMB to the success it now has and I am confident he will take the business beyond anyone's expectations", said Jason Chung, Director of Technical Services. Since joining the company in 2012, Mr. Morgan has proven himself as a leader with strong Business skills, vision, and the ability to bring people together. His experience and his vision for our company is exactly what NMB needs as the company enters its next chapter of expansion and growth. Chris, with his 9 years of MS Dynamics and more than 20 years of Business experience will be perfect fit for this role.

About NMB Solutions: NMB Solutions is a Microsoft Gold Business Applications Partner. The company was founded in 1999 as a VAR and implementer of Axapta, which would go on to become Microsoft Dynamics AX. In 2013, NMB transitioned to an ISV, solely focused on delivering third-party parcel shipping and LTL solutions for Dynamics AX. Today, NMB is a global leader in Supply Chain and Compliance solutions for Dynamics 365 Finance and Operations and has customers around the globe in many different industries.
